## How to Download a Pattern

The most important item is that you must have an account created on our website and be logged into this account when placing your order. Without an account, we do not have a place to store your pattern(s).

After you complete your order, you can go to your account page and download your patterns

### PC or Mac

With a PC or Mac, you can get to the account page by clicking on the My Account link in the upper right corner or the My Account link in the menu.

## PC or Mac

After you get to the Account page, look for the Downloadable Products section. From there you will see all your patterns and can download them using the Download links on the right.

The web browser that you use will download the file to the Downloads folder.

## My account - Downloadable products

The screenshot shows the 'My account - Downloadable products' page. On the left, a navigation menu includes 'CUSTOMER INFO', 'ADDRESSES', 'ORDERS', 'DOWNLOADABLE PRODUCTS' (circled in red), 'BACK IN STOCK SUBSCRIPTIONS', 'REWARD POINTS', 'CHANGE PASSWORD', 'AVATAR', 'MY PRODUCT REVIEWS', and 'CHECK GIFT CARD BALANCE'. The main content area is a table with columns for Order #, Date, Product, and Download. The 'Download' column contains 'Download' buttons, each of which is circled in red. The table lists the following products:
